

Registered apprenticeship training programs in Minnesota – by county

This section of the directory identifies the county or counties where the sponsor is located. Included is the address, contact person and the approved apprenticeship program(s) the sponsor offers.

Note: There are many of the same occupations listed in many parts of the state. As you find occupation(s) of interest, feel free to call the sponsor representatives to ask them about their apprenticeship program. Sponsors are proud of their programs and are always willing to discuss how they are operating and the benefits of having a registered apprenticeship program.
